"In the faithful care of St Joseph, Jesus prospered. We care, we belong, we learn together in faith."

GOVERNORS' STATEMENT OF BEHAVIOUR PRINCIPLES 2026/27

Approved by[1]			
Name:	Alex Farrell		
Position:	Chair of Governors		
Signed:	A Farrell		
Date:	9/11/2026	**Version No:**	11
Review date[2]**:**	November 2027		

Based on KAHSC Model Statement V11 – September 2026

[*] *References to "maintained school" means a community, voluntary controlled, foundation or voluntary aided school, community or foundation special school and includes Pupil Referral Units.*

[1] *The document requires approval from either the full Governing Body or a Committee of the Governing Body*

[2] *Governors are free to determine the review date and frequency – annual is recommended by the DfE*

REVIEW SHEET

Each entry in the table below summarises the changes to this Statement made since the last review (if any).

Version Number	KAHSC Version Description	Date of Revision/Review
1	Original	Sept 2013
2	Reformatted only	Feb 2014
3	Minor amendment to include prevention of Radicalisation	Aug 2015
4	Changes to reflect the fact that from 1st January 2016, schools no longer have a statutory obligation to have in place a Home School Agreement. If schools choose to do so, they can have a voluntary Home School Agreement. Also includes reference to Code of Conduct for staff and other adults.	Mar 2016
5	Updated to include amendments to statutory guidance	Mar 2017
6	Updated to include DfE recommendation that Academy Trusts should have a statement of principles	Sept 2019
7	Updated to reflect the changes in the model Whole School Behaviour Policy and Keeping Children Safe in Education 2021	Nov 2021
8	Updated to reflect the changes made in DfE Behaviour in Schools: Advice for Head teachers and school staff (July 2022). Removal of the words "Whole School" in relation to the School's Behaviour Policy and procedures.	Sept 2022
	KAHSC Reviewed – minor changes to update links - no substantial changes	Sept 2023
9	Minor updates to take account of new DfE guidance on the use of mobile phones and other smart technology by pupils in school	Feb 2024
	Reviewed (no changes)	Sept 2024
	Reviewed (no changes)	Sept 2025
10	Updated to include the introduction of DfE guidance on the use of 'Restrictive interventions, including the use of reasonable force' which comes into force on 1 April 2026. As referenced in the DfE guidance schools can choose to have a standalone Policy and procedures or can incorporate their procedures into the existing school Behaviour Policy and procedures. Where the Policy is standalone, this must be published on the school website alongside the Behaviour Policy and procedures.	March 2026
11	Reviewed September 2026 – updates to layout and added contents sheet	Sept 2026
11 (SJ)	Adopted for St Joseph's Catholic Primary School: school logo, mission statement and branding added to the front cover; NEW section 3 'Our Catholic Vision and Mission' (mission statement, Gospel Values and Scripture); Catholic ethos added to Principles (high standards, inclusivity, school rules, rewards, sanctions and behaviour of parents); restrictive interventions confirmed as Appendix A of the Behaviour Policy; model guidance notes removed. Checked against the school Behaviour Policy and procedures (version 24, October 2026): mobile phone-free school (4.5); route for challenging a sanction (4.7); NEW 4.15 Monitoring and review; statement about consultation removed.	Oct 2026

4.14 Behaviour of parents and other visitors to the school 6

4.15 Monitoring and review 6

1. Definitions

For the purposes of this Statement, a child, young person, pupil or student is referred to as a 'child' or a 'pupil'.

Wherever the term 'parent' is used this includes any person with parental authority over the child concerned e.g. carers, legal guardians etc.

Wherever the terms 'Governors' or 'Governing Body' are used, this refers to the Governing Body of St Joseph's Catholic Primary School ('the school').

2. Introduction

Section 88 of the Education and Inspections Act 2006 requires Governing Bodies and Management Committees of maintained schools to have regard to the statutory guidance from the Secretary of State for Education in making and reviewing a written statement of behaviour. The Governing Body has a duty to produce, and review, a written statement of general principles to guide the Head teacher in determining measures to promote good behaviour and discipline amongst pupils. The statutory guidance document 'Behaviour and discipline in schools' – Guidance for Governing Bodies' has been used as a reference in producing this Statement of Behaviour Principles.

In accordance with the DfE document Behaviour in Schools: Advice for Head teachers and school staff, schools must have a Behaviour Policy and procedures which includes detail on the following:

- **purpose** – including the underlying objectives of the policy, and how it creates a calm and safe environment in which all pupils can learn and reach their full potential;
- **leadership and management** – including the role of designated staff and leaders, any systems used, the resources allocated and engagement of governors/trustees;
- **school systems and social norms** – including rules, routines, and consequence systems;
- **staff induction, development and support** – including regular training for staff on behaviour;
- **pupil transition** - including induction and re-induction into behaviour systems, rules, and routines;
- **pupil support** – including the roles and responsibilities of designated staff and the support provided to pupils with additional needs where those needs might affect behaviour;
- **child on child abuse** – including measures to prevent child on child abuse and the response to incidents of such abuse; and,
- **prohibited and banned items** – a list of items which are legally prohibited from and items which are banned by the school and for which a search (with or without consent) can be made.

The school Behaviour Policy should adhere to the following principles:

- **accessible and easily understood**: clear and easily understood by pupils, staff and parents;
- **aligned and coherent**: aligned to other key Policy documents;
- **inclusive**: consider the needs of all pupils and staff, so all members of the school community can feel safe and that they belong;
- **consistent and detailed**: have sufficient detail to ensure meaningful and consistent implementation by all members; and,
- **supportive**: address how pupils will be supported to meet high standards of behaviour.

In a 'maintained' school, it is the responsibility of the Head teacher along with the staff in the school to produce the school's Behaviour Policy and procedures and the duty of the Governing Body to provide the Head teacher with a clear written statement of the principles around which the Behaviour Policy and procedures will be formed and follow. The Statement of Behaviour Principles will be reviewed regularly as indicated on the title page to take account of any legislative or other changes which may affect the content or relevance of this document. The Statement is published on the school's website.

These behaviour principles are intended to ensure that the school's Behaviour Policy and procedures are both relevant and appropriate for the standard of behaviour expected (school rules); the use of rewards and sanctions; the circumstances in which reasonable force will be used and when multi-

agency assessment will be considered for pupils who display continuous disruptive behaviour in our school.

In terms of staff and other adults, any person whose work brings them into contact with children including volunteers must follow the principles and guidance outlined in the school staff Code of Conduct which also applies to other adults working with the children in the school. In addition to this Code of Conduct, all employees engaged to work under Teachers' Terms and Conditions of Employment have a statutory obligation to adhere to the 'Teachers' Standards 2011 (rev 2013 and 2021)'.

Part 1 of the Teachers' Standards also requires teachers to manage behaviour effectively to ensure a good and safe learning environment. In doing so they are required to:

- have clear rules and routines for behaviour in classrooms, and take responsibility for promoting good and courteous behaviour both in classrooms and around the school, in accordance with the school's behaviour policy and procedures;
- have high expectations of behaviour, and establish a framework for discipline with a range of strategies, using praise, sanctions and rewards consistently and fairly;
- manage classes effectively, using approaches which are appropriate to pupils' needs in order to involve and motivate them;
- maintain good relationships with pupils, exercise appropriate authority, and act decisively when necessary.

3. Our Catholic Vision and Mission

"In the faithful care of St Joseph, Jesus prospered. We care, we belong, we learn together in faith."

St Joseph's is a Catholic primary school; we are one family. Our vision and values are rooted in the Gospel and underpin our relationships, teaching and learning. The Governors believe that every child is made in the image and likeness of God (Genesis 1:27), is unique and loved, and deserves to be valued, cherished and nurtured as they grow in the knowledge and love of Christ. This Statement of Behaviour Principles is an expression of that mission, and the Governors expect the school's Behaviour Policy and procedures to reflect it.

At the heart of our approach to behaviour is the commandment Jesus gave to his disciples:

"Love one another. As I have loved you, so you must love one another." (John 13:34)

We also teach our pupils the Golden Rule, which guides the way we treat one another in class, on the playground and online:

"Do to others as you would have them do to you." (Luke 6:31)

Our Gospel Values

Our Gospel Values are understood and respected by adults and children alike, as we learn and play alongside one another, showing love, care and forgiveness in all we do. Through the year the school focuses on the following Gospel Values, each linked to a story from Scripture (see the school's Prayer and Liturgy Policy):

- **Honesty and Forgiveness** – The Prodigal Son (Luke 15:11–32)
- **Thankfulness and Perseverance** – The Birth of Christ (Luke 2:1–20)
- **Respect and Resilience** – The Three Wise Men (Matthew 2:1–12)
- **Generous and Proud** – The Good Samaritan (Luke 10:25–37)
- **Trust** – The Parting of the Red Sea (Exodus 14)
- **Eloquent and Truthful** – Pentecost (Acts 2:1–13)
- **Community** – Sharing a meal

What the Governors expect

The Governors want our pupils to understand that good behaviour is not simply about following rules, but about living out our Gospel Values and responding to God's love in the way we treat others. The Governors therefore expect the Behaviour Policy and procedures to:

- express the school's Catholic vision and mission, Gospel Values and Scripture throughout its rules, rewards, consequences and restorative approaches;
- be shaped by the Gospel message of forgiveness and reconciliation, so that once a consequence has been completed and amends have been made, every child is given a fresh start;
- recognise and celebrate the God-given gifts and talents of every child;
- respond to each child with patience, understanding and care, recognising that every child is "fearfully and wonderfully made" (Psalm 139:14);
- respect pupils and families of all faiths and none; and,
- build a partnership between home, school, parish and the wider community, so that we live and learn together as one family in faith.

4. Principles

4.1 Right to feel safe at all times

All young people and staff have the right to feel safe at all times whilst in school. There should be mutual respect between staff and pupils; pupils and their peers; staff and their colleagues and staff and parents or other visitors to the school. All members of the school community must be aware that bullying (cyberbullying, prejudice-based and discriminatory bullying) or harassment (sexist behaviour or language, sexual bullying and sexual harassment) of any description is unacceptable and the school has a zero-tolerance approach to this type of behaviour, even if it occurs outside normal school hours. All incidents of this type of behaviour will be dealt with in accordance with the sanctions described in the school's Behaviour Policy and procedures.

All staff must be aware of the risk of abuse, neglect, exploitation and radicalisation and be alert to changes in a pupil's behaviour which could indicate that they are or may be at risk of harm and may need help or protection. The school's Online Safety Policy includes our procedures for promoting online safety and preventing access to terrorist and extremist materials when accessing the internet. Pupils' resilience to radicalisation and other online harms will be built up by achieving a positive ethos in school as described in the school's Behaviour Policy and procedures and with the promotion of our Gospel Values alongside fundamental British values.

The school's Child Protection Policy and procedures also includes details of how we will respond to reports of abuse, neglect, exploitation, harmful sexual behaviour, sexual violence and sexual harassment particularly as it relates to child on child abuse.

4.2 High standards of behaviour

The Governors strongly believe that high standards of behaviour lie at the heart of a successful school. Such expected behaviour by the entire school community will enable all its young people to make the best possible progress in all aspects of their school life and work, and all staff to be able to teach and promote good learning without interruption.

The Governors also believe that the expectation of high standards of behaviour which are required during the school day can have a positive effect on the life of young people outside school in encouraging them to become acceptable members of the wider community.

As a Catholic school, the Governors believe that high standards of behaviour flow from our faith: from Jesus' call to "love one another" (John 13:34) and from living out our Gospel Values in the way we treat each other. Good behaviour is a way of responding to God's love, and all adults in the school community are expected to model it.

4.3 Inclusivity and equality

St Joseph's is an inclusive school. All members of the school community should be free from discrimination of any description and this is further recognised in our Equality Policy and promoted in the day-to-day running of the school. Because every person is made in the image of God (Genesis 1:27) and deserves to be treated with dignity and love, the Governors regard bullying and discrimination of any kind as contrary to the Gospel and to our Catholic mission.

The Behaviour Policy and procedures must emphasise that bullying and discrimination as a result of age, sex, race, ethnicity, disability, religion or belief, gender reassignment, pregnancy and maternity , or sexual orientation/identity (protected characteristics) is absolutely unacceptable and attracts a zero tolerance attitude. The Policy and procedures must, therefore, include an anti-bullying statement which is clear, concise and is understood by all members of the school community. Measures to counteract bullying of all forms including cyber bullying, sharing of nude and/or semi-nude images and/or videos, sexual violence and sexual harassment and other forms of child on child abuse and discrimination should be included in the procedures and consistently applied and monitored for their effectiveness.

The school's legal duties to comply with the DfE guidance on 'Restrictive interventions, including the use of force' and the Equality Act 2010 will be reinforced through the school's Behaviour Policy and procedures, which includes procedures on restrictive interventions, including the use of reasonable force (Appendix A), and will seek to safeguard vulnerable pupils, particularly those with Special Educational Needs, Disabilities (SEND) and other health conditions where reasonable adjustments in the Policy application may be necessary and appropriate.

4.4 Mental health and behaviour

Where children have suffered abuse and neglect, or other potentially traumatic adverse childhood experiences, this can have a lasting impact throughout childhood, adolescence and into adulthood. It is key that staff are aware of how these children's experiences, can impact on their mental health, behaviour, and education. Reference to how the school will respond to children with mental health and the effects of this on their behaviour must be included in the Behaviour Policy and procedures.

4.5 School rules

The Behaviour Policy and procedures must include details of the items which are legally prohibited in school and those which are banned under the school rules (including the rules around the use of mobile phones and other smart technology with similar functionality to mobile phones e.g. smart watches linked to mobile phones unless these are set out in a separate Policy). These should set out the expected standards of behaviour, be displayed in all classrooms and shared with and explained to all parents and pupils (in an age-appropriate manner). The Governors expect that any school rules are applied consistently across the whole school by staff and others to whom this authority has been given. School rules which are clear and explained to all staff will ensure that staff have the confidence to apply the rules appropriately and where necessary, give rewards for good behaviour and the appropriate level of sanction for inappropriate or unacceptable behaviour.

At St Joseph's, the Governors support the school's three rules – Be Ready, Be Respectful and Kind, and Be Safe – which are rooted in Scripture and in our Gospel Values (Colossians 3:23; Ephesians 4:32; Romans 13:10).

The Governors expect the school to follow the DfE statutory guidance 'Mobile phones in schools' (statutory from 29 June 2026). St Joseph's is a mobile phone-free school: pupils are not allowed to use mobile phones, smartwatches or other smart technology with similar functions in school. Where parents ask their child to bring a mobile phone for the journey to and from school, the phone must be switched off and handed in to the school office at the start of the day, and collected at the end of the day. Any other exception (for example for a medical need or a disability) must be agreed by the Head teacher, recorded in the pupil's plan and limited to what is needed.

4.6 Rewards

The Governors expect the Behaviour Policy and procedures to include a wide range of rewards which are clear and enable staff and others with authority to apply them consistently and fairly across the whole school. The rewards system will encourage good behaviour in the classroom and elsewhere in the school. The Governors expect that any rewards system is explained to others who have responsibility for young people such as extended school provision and, where applicable, home to school transport so that there is a consistent message to pupils that good behaviour reaps positive

outcomes. The rewards system must be regularly monitored for consistency, fair application and effectiveness.

The Governors believe that every child has God-given gifts and talents to share – "Let your light shine before others, that they may see your good deeds" (Matthew 5:16) – and expect the school to especially recognise pupils who live out our Gospel Values in the way they treat others.

4.7 Sanctions

Sanctions for misbehaviour should be known and understood by all staff, other adults with authority for behaviour, pupils and parents. Like rewards, sanctions must be consistently applied across the whole school, including extended school provision and, where applicable, home to school transport. The range of sanctions must be described in the Behaviour Policy and procedures so that all concerned are aware of and understand how and when the sanctions will be applied. The Behaviour Policy and procedures should explain how and when suspensions and permanent exclusions will be used as a sanction. The Policy and procedures should include the provision for an appeal process against a sanction where a pupil or parent believes the school has exercised its disciplinary authority unreasonably. The Governors, however, believe that the exclusion sanction should only be used as a last resort. 'Unofficial' exclusions are illegal and so must be avoided. The Head teacher may inform the Police, where necessary and appropriate, if there is evidence of a criminal act or it is thought that one may take place. It is important that sanctions are monitored for their proper use, consistency and effective impact.

At St Joseph's, a pupil or parent who believes a sanction is unreasonable should first raise this with the class teacher or Head teacher, who will review the decision. If they remain dissatisfied, they may use the school's Complaints Procedure. Appeals against suspensions and permanent exclusions follow the separate statutory process set out in the school's Suspension and Exclusion Policy and procedures.

In keeping with our Catholic faith, the Governors expect sanctions to be applied in a spirit of forgiveness and reconciliation. Holding high expectations and offering forgiveness are not in conflict: consequences help children to learn, and forgiveness allows them to move on. As the father welcomes his son home in the parable of the Prodigal Son (Luke 15:11–32), pupils who have completed a consequence, or who return following a suspension, are welcomed back as valued members of our school family and given a fresh start. Restorative approaches, which reflect the Catholic understanding of reconciliation, should be used wherever appropriate.

4.8 Pupil support

Where it becomes clear that a pupil is having on-going difficulties in managing their behaviour, the Governors expect the school to have a range of strategies available to provide consistent support for the pupil concerned. These strategies should be evident to staff, pupils and parents in the Behaviour Policy and procedures and consistently applied where appropriate and necessary.

4.9 Searching, screening and confiscation

The Governors expect the Behaviour Policy and procedures to clearly explain to staff and others with authority their powers in relation to the searching and screening of pupils for items which are 'prohibited' and/or banned in accordance with the school rules. In addition, the Governors expect the Head teacher and others to pay particular regard to the DfE's detailed guidance on Searching, screening and confiscation: guidance for schools.

4.10 Restrictive interventions, including the use of reasonable force

The Governors expect the Behaviour Policy and procedures to clearly outline the circumstances where staff may use restrictive interventions, including the use of reasonable force and other physical contact to control inappropriate behaviour as outlined in the statutory and non-statutory guidance issued by the DfE – 'Restrictive interventions, including the use of reasonable force' including removing disruptive pupils from classrooms or preventing them from leaving. The Governors expect that staff are appropriately trained to manage behaviour, given advice on de-escalation and behaviour management

techniques, and, in some cases, trained in the use of appropriate restrictive interventions and reasonable force.

At St Joseph's, these procedures are set out in Appendix A of the school's Behaviour Policy and procedures. The Governors have a responsibility to monitor the recording and reporting of any significant incidents, including restrictive interventions, as outlined in Appendix A.

4.11 The power to discipline for behaviour outside the school premises

The Governors expect the Behaviour Policy and procedures to set out the school's response to non-criminal misbehaviour and bullying (including cyberbullying and the sharing of nude and semi-nude images and/or videos) which occurs anywhere off the school premises and which is witnessed by a member of staff or reported to the school. The Policy should include the school's response to any misbehaviour when the child is:

- taking part in any school-organised or school-related activity;
- travelling to and from school;
- wearing school uniform; or,
- in some other way identifiable as a pupil at the school

Even if the conditions above do not apply, the Behaviour Policy and procedures must take account of misbehaviour at any time which:

- could have repercussions for the orderly running of the school;
- poses a threat to another pupil or member of the public; or,
- could adversely affect the reputation of the school.

4.12 Pastoral care for school staff

The Behaviour Policy and procedures must include details of how the school will respond to an allegation against a member of staff. The Governors would not expect automatic suspension of a member of staff who has been accused of misconduct, pending an investigation. The Governors would, however, expect the Head teacher to draw on and follow the advice in Part four of DfE statutory guidance 'Keeping Children Safe in Education' (Safeguarding concerns and allegations made about staff, including supply teachers, volunteers and contractors) when setting out the pastoral support school staff can expect to receive if they are accused of misusing their powers. In addition, the Behaviour Policy and procedures should set out the disciplinary action that will be taken against pupils who are found to have made malicious accusations against school staff.

4.13 Suspected criminal behaviour including the use of drugs and drug-related incidents

The Behaviour Policy and procedures should include a section on dealing with suspected criminal behaviour including the use of drugs and drug-related incidents involving both pupils and adults where this is deemed to be applicable.

4.14 Behaviour of parents and other visitors to the school

The Governors will not tolerate any unacceptable behaviour by parents, visitors or other members of the school community. Reference should be made to the DfE guidance 'Controlling access to school premises' and to the fact that the school may bar individuals from coming on to school premises where their behaviour towards staff, pupils or others working in or on behalf of the school is unacceptable or inappropriate.
As a Catholic school community, the Governors ask all adults to model the Gospel values of respect, patience and kindness that we teach our children, remembering that "love is patient, love is kind" (1 Corinthians 13:4). Working together in this spirit helps us to be one family, in partnership with home, school, parish and community.

4.15 Monitoring and review

The Governors expect behaviour incidents at Level 3 and above, removals from class, suspensions and exclusions, searches and confiscations, and bullying and prejudice-related incidents to be recorded on

Arbor, and uses of restrictive interventions to be recorded on CPOMS. The Governors will receive a summary of this information at least termly, including analysis by SEND, disadvantage and protected characteristics, so that they can check that the Behaviour Policy and procedures are applied fairly and consistently, that sanctions do not have a disproportionate effect on any group, and that pupils receive the support they need.

The views of pupils, staff and parents, gathered at least once a year, will inform the annual review of the Behaviour Policy and procedures and of this Statement.
