
Sports Premium

2022/2023

SUMMER TERM

St Joseph's RC School
Authored by: Your Name

What is the PE and sport premium for primary schools?

The primary PE and sport premium was introduced in March 2013 to improve the provision of physical education and school sport in primary schools across England. The £150 million per year funding is provided jointly by the Departments for Education, Health, and Culture, Media and Sport (DfE, DH, DCMS). The money has been allocated directly to primary schools and we can choose how we use the funding, for example:

1. Hire specialist PE teachers or qualified sports coaches to work with primary teachers during PE lessons.
2. Support and involve the least active children by running after-school sports clubs and holiday clubs.
3. Provide resources and training courses in PE and sport for teachers.
4. Run sport competitions or increase pupils' participation in the School Games.
5. Run sports activities with other schools.

The National Curriculum aims are for all children:

- To be physically active, working towards a target of 30 minutes activity during and after the school day (excluding general play times)
- To excel in a broad range of activities
- To engage in competition
- To lead healthy lifestyles
- To be competent in swimming and water safety by the end of KS2

We have used the Sport Premium funding to help us achieve national curriculum requirements by:

- Offering a broad range of sport and activity in both PE and after school clubs
- Allowing children to take part in a range of competitive opportunities
- Paying for transport to and from events, competitions and swimming lessons
- Employing specialist coaches and visitors to come into school and deliver engaging and inspiring sessions throughout the school that teachers can observe and learn from.
- Supplying children with swimming lessons in Key Stage 2

2022/23 Swimming data YEAR 6

Number of children in year 6 = 7

<u>Objective</u>	<u>Number of children meeting national curriculum objective</u>
Children can swim competently, confidently and proficiently over a distance of at least 25 metres.	2
Children use a range of strokes effectively.	2
Children can perform safe self-rescue in different water-based situations.	2

2023/24 Action Plan

If children are not on track to meet the National Curriculum requirements by the end of year 6	KS2 to attend two weeks of intense swimming lessons in the Autumn term. Any KS2 children not yet meeting curriculum requirements to attend again for 1 week in Spring term.
If children are meeting the National Curriculum requirements before the end of year 6	Children in year 6 to attend Whitehaven Youth Harbour project, where they swim in open water and further increase their knowledge and skills regarding wild swimming safety.

Total sports funding beginning of 2022/23:

£17,082

1. Hiring specialist coaches to work with primary teachers during PE lessons

Intent	Implementation	Funding allocated	Impact
